# Matt Collection

Devon Light Beige

Size: 1010x1010mm

Thickness: 10mm

Body: Porcelain- White Body

Porcelain tile reinvents itself by creating a new living style in which tradition becomes a source of inspiration for a contemporary look.

The matt porcelain tiles are the good option for house use. The matt porcelain tiles provide more friction, so it could reduce the possibility of slippery accident happening. According to this feature, it also be the best tile for bathroom floor and other wet areas. A sophisticated range of colors combined with a rich assortment of sizes. The collection of matt porcelain tiles that can inspire a wide variety of home design ideas and provide unique, welcoming visual impact. Antique and modern, natural and honed. The tactile surface, with its many subtle variations, offers the pleasure of choosing from two expressions. On these surfaces of History Collection, we can rediscover the values of the craftsmanship of yesteryear and the signs left by time passing. In-essence embodies this legacy and transfers it to us with refreshing spontaneity. It is generally used indoors, but can also be chosen for outdoor locations.

/ DEVON

## Devon Light Beige

### pristine collection for mesmerizing designs

---

Between bright white and light brown, a beige floor has a characteristic warm and contemporary color that suits all styles of decoration and furnishing. It is very often found in the novoceram range, in a variety of tones and notes, with shades that can be more pink, yellow or grey. It provides light and comfort to darker rooms and makes them look more spacious.
